

PREP WORK JUST GOT

SWEETER

Introducing the Sunion,

an onion unlike anything you've ever worked with before. This versatile onion doesn't get more pungent as time goes on – it develops more sweetness and provokes fewer tears!

"The Sunion is a real game changer as a chef! It makes me smile every time I use them because they're awesome. They're so fun to work with."

Storm Hodge, Executive Chef and Winemaker,
Parma Ridge Winery

Why You'll Love Them:

- Grown in the U.S.A.
- Certified sweet by a third party
- Grown using non-GMO methods
- Consistently sweet and mild with a great crunch
- Unbelievably versatile – use them raw or cooked
- Won't overpower meals
- Reduces prep time
